2019 HIGHLIGHTS
By Gretchen Bartzen, Executive Director

This Annual Report recognizes those whose generosity and leadership helped preserve and grow Ruth’s extraordinary plant collection and garden vision in 2019.

The mission of the Garden is to preserve Ruth Bancroft’s extraordinary example of garden design and plant collection for the enjoyment and education of the public. Here is a glimpse of the activity which helped grow the Garden and deliver our mission in 2019:

This was a year of many events at the Garden!

- We completed construction of the Coit Family Visitor and Education Center and held a Grand Ribbon Cutting celebration in June 2019. The Garden raised $5+ million over 5 years to complete this first permanent home for the staff, members, and the greater community.

- Docent Director Susan Van Dyne organized the first ever, highly successful weekend Dry Garden Symposium on Ruth Bancroft’s influence on the world of horticulture in the Coit Family Visitor Center.

- Members Kristin Yanker-Hansen and Dick Hansen and Committee organized the first Garden of d’Lights winter holiday exhibit to help support the Garden which was attended by 2,600 members and the public.

- The Garden hosted the first Chamber of Commerce Mixer in over 10 years, as well as many festive new public socials, private weddings and celebrations, and the first Garden Gala in our new “home,” the beautiful new plaza and Coit Family Center.

- 18,093 visitors toured the Garden, an increase of 15 percent from 2018.

- 55 Workshops were offered in a variety of horticulture, DIY art/photography, fitness topics, themed Garden tours, an increase of 41 percent over 2018.

- 33 Children’s Tours were given for 742 children, with the generous support of the Quest Foundation and the Erika Boehnke Children’s Education Fund.

- 181 Volunteers contributed over 9,243 hours to the Garden. This represents an over 25 percent increase in volunteers over 2018, and approximately 15 percent increase in volunteer hours!
